

Sustainable Cherry Hill's
Tri County Alliance Task Force
“Water is Life”
Connecting the Drops

Saturday, January 30th
1:00 pm - 3:00 pm
Palmyra Cove Nature Park
1335 Rt 73 South, Palmyra, NJ

Join us for a *free*, public presentation about the condition of our local waterways which becomes our drinking water.

Learn what's being done to protect our public water and what you can do at home to make a difference! Open to people of all ages and communities!

Presentations By:
Michael Hogan
